

Dear Community Businesses, Parents, and Friends,

The Spanish Fort Educational Enrichment Foundation is about community.....our community of Spanish Fort. We believe great communities are built on the solid foundation of outstanding schools. We believe there are many of you who love Spanish Fort, as we do, and want our schools to be the best.

SFEED's mission is to "inspire the power of our community to enrich and support education for Spanish Fort public school children." How do we support students, teachers, and our schools? Here's a partial list:

STEAM Camp- Science, Technology, Engineering, and Math and Arts for rising 7th graders

Writes' Conference for Young Authors-SFMS brings variety of authors for student access and learning. We support their efforts with logistics, authors, and supplies. Rick Bragg is coming this year!

Teacher/Student Grants- These grants are used to meeting specific classroom needs. For example, specialized worktables for students, extra classroom reading books, stem supplies, robots, and workbooks. The list is long, and we've been fulfilling teachers wish lists for almost 20 years.

Special Funding Grants- There are projects that need our help, like outfitting a Multi-Sensory Room at SFMS or funding Academic Teams. We recently raised funds for our schools' care closets.

Clemons-Imle College Scholarships Honoring beloved community members with 2 scholarships go to deserving seniors furthering their education.

RISE Banquet(Recognizing Inspiration and Success in Education)- This an annual celebration of achievements by students and teachers in our schools for invited community guests.

Advocacy- We are the community cheerleaders for education. We participate in our school district's leadership activities and are founding members and supporters of the Baldwin County Education Coalition

There are several other initiatives we sponsor that enrich and inspire our students and teachers. How are we able to make this possible? It's through the support of our generous business sponsors, engaged parents, and friends. It is because of help from like-minded individuals who also believe in our community and schools that these great things happen.

Spanish Fort's motto is "A City of Spirit". Our spirit is never stronger than when we provide for our schools. We thank you, our donors, and sponsors, for the role you play in helping to strengthen our schools and our city.

Go Toros!

Sincerely, Cleve Gantt
SFEED President

Our Mission

***Inspiring the power of our community to enrich and support education
for Spanish Fort public school children***

Our Goals

- Involve community, parents, and business members to commit and participate in the educational enrichment of all Spanish Fort school children.
- Secure funding for educational enrichment experiences in all disciplines for Spanish Fort school children.
- Promote and advocate for a high-quality education so that our students may compete in the international job market.
- Manage and allocate resources in partnership with donors, our school district, parents, students, and local community.
- Sponsor Teacher-Student grants that provide technical equipment and educational programs which encourage creativity and excellence in the classroom.
- Provide support for Scholars Bowl, Writers Conference for Young Authors, Clemons-Imle Scholarship, and other enrichment opportunities.

SFEF (Spanish Fort Education Enrichment Foundation) is a 501(c)3 organization focusing on the educational enrichment needs for ALL Spanish Fort public school children.

2023 Freezin' For A Reason Corporate Match

Friday, January 13, 2023

This super fun event was added to our event calendar for the first time in 2021. Students at all five schools are invited to bring in donations Monday - Thursday to “cast their vote” for the top two candidates at their school that will receive the grand prize of a bucket full of ice-cold water on Friday, January 13th. Teachers, administrators, and students all get a chill out of this event!

Our highest gross amount has been \$2500 for this event. We are offering a corporate match opportunity for local businesses to match the proceeds this year. **Corporate Match Sponsors will be recognized at the event, SFEF website, on SFEF’s social media, and will work with you to find other ways to highlight your participation.** Choose the level that is right for your company:

**Writers' Conference for Young Authors
November 4, 2023**

SFEED is proud to contribute to Spanish Fort Middle School's Writers' Conference for Young Authors. This event is a conference for 7th grade students to be exposed to various forms of writing and literature.

Authors from genres such as sports writing, fiction and non-fiction literature, magazine writers, poetry, songwriters, news reporting, and more lead rotating sections in their expertise. Students meet them throughout the day while learning from these extraordinary writers that writing is integral in their lives and in becoming successful whatever field they chose.

Rick Bragg is the keynote speaker this year. **We are soliciting funds for student supplies, books, and lunch for this all day event.** Your company name will be prominently displayed at the event and acknowledged on our social media and website. This is a great way to give directly to our middle school students. Please contact **Sheren LeBlanc** sfeefdirector@gmail.com or call 251-604-3728 for questions or to offer your assistance.

Thank you!
