2023 Teacher/Student Mini-Grants

SFEED appreciates your wish to provide more for Spanish Fort students!

The purpose of the SFEED Mini Grant Program is to provide funding to classroom teachers to support a variety of programs that enhance student learning and to explore concepts, ideas and principles beyond the core curriculum.

New teachers and those who have not received grants in the past will be given priority by our judges.

Our mission: To inspire the power of our community to enrich and support education for all Spanish Fort public school children

Turn application into your school's principal for review and signature no later **Wednesday, March 15th**. This gives your principal time to review and sign off by our deadline. No faxed or emailed applications will be accepted.

Applications for the 2023 school year will be picked up at your school at **noon Friday, March 17, 2023**.

Guidelines

SFEED Grant Committee reviews and evaluates all proposals. Not all members of the Grant Committee and Judges are educators, so avoid educational (or any) jargon.

Review your grant carefully with the student/s and be sure that each portion is completed.

Be sure your budget is clear and understandable. Funds must be spent as stipulated in the proposal budget. All expenditures must be supported with receipts. Any undocumented expenditures will be treated as compensation to the teacher and may be reported to the IRS by SFEED audit requirements.

New and continuing projects will be considered.

Funds must supplement, not replace, state or local funds; funds cannot be used to compensate teachers or other Spanish Fort school staff.

If a request is for something already available at the school, please include an explanation as to why additional materials are being requested.

Proposals must be signed by the educator, student and the school principal. Student participation is important to SFEED and our mission of community engagement in education.

If a teacher's position or school changes, the award may become invalid. The educator must contact SFEED if there are any changes.

Grants previously submitted and NOT funded may be resubmitted if desired.

Proposals will be picked up from your school on March 17, 2023 by Noon. Give your principal ample time to review and sign off on your request. **THEY MUST SIGN OFF ON REQUEST.**

Teacher Mini Grant Applicants will be notified of grant approval by April 30, 2023. After the funded project is completed, a one page narrative by the winning educator should be submitted by Sept. 1, 2023 to director@sfeef.com. It should include information about the project, any data collected regarding instruction, a recount of the budget and an evaluation of classroom success. Photos are appreciated.

Faxes or email applications are not accepted.

DO NOT LEAVE ANY SECTION BLANK, IF YOU DO YOU WILL LOSE POINTS AND YOUR GRANT MAY NOT BE FUNDED.

Teachers must have the grant monies spent and accounted for by May 31, 2023.
